Product	Luminetworx PIR Motion Sensor
Reference Number	LVES-ILS
Dimensions	
Weight	57g (excluding battery)
Color	White
Location	For indoor use only
Control range	3 meters
IP Rating	IP20 (IEC standard 60529)
Ambient temperature	-20°C ~ +45°C
Battery type	LR6 (AA) 1.5 Vd.c x 2 (not included) Use alkaline batteries only
Battery life	1 year (on assumption 50 actions per day, battery capacity 2800 mAh)
Static consumption	<40uA
Peak consumption	<500mA
Average power consumption of Wi-Fi transmission	<100mA
Module type	ESP-WROOM-02D
Wireless RF mode Frequency Range	2400-2483.5 MHz
Maximum transmitted power	20 dBm

**Direction for Operation :**

1. Confirm Voltage Rating
2. Cut off Power during install.
3. Contact Manufacturer with any problems.
4. Never attempt to open fixture housing.
