

Product Information

The Luminetworx™ Residential Series-Downlights are the perfect way to light your new home. This ultra-low wattage fixture delivers 600 lumens from only 5 watts. Series downlights require only one Luminetworx™ Cat6A per each six-pack of downlights. The housing is made of high-quality aluminum with large heatsinks that provide excellent heat dispensation. Sturdy tensioner clips help facilitate mounting in tray or finished ceiling applications.

Product Specifications

Vendor Item Number	LVES-DL3-600
LED Chip	Epistar 5MD
Rating	IP20
Lens/Diffuser	Clear
Diameter	90mm
Height	36mm
Width	108mm
Category	Recessed Lighting
Subcategory	PoE LED
Product Family	Luminetworx
Finish	White
CCT	4000K
Luminous Efficacy	120lm/w
Beam Angle	120°
Power Factor	>0.95
Dimming Characteristics	Dimmable
Lumens	600
Power Consumption	5 Watts Each
CRI	80

Product Information

Certifications	ETL
Warranty	Five Years
Lifecycle	50,000 Hours
Connection Type	Grouped/Series
Driver Type	PoE LED
Units Per Assembly	6pcs
Fixture Weight	0.65lbs
